INFORMATION CIRCULAR

(As at November 5, 2021, except as otherwise indicated)

CANADIAN NEXUS TEAM VENTURES CORP. (formerly BRAND X LIFESTYLE CORP.) (the "**Company**") is providing this information circular (the "**Circular**") and a form of proxy in connection with management's solicitation of proxies for use at the annual general meeting (the "**Meeting**") of shareholders of the Company (the "**Shareholders**") to be held at **9:30 a.m.** (Pacific Time) on December 10, 2021 and at any adjournment(s). The Company will conduct its solicitation by mail and officers and employees of the Company may, without receiving special compensation, also telephone or make other personal contact. The Company will pay the cost of solicitation.

All dollar amounts referenced herein are expressed in Canadian Dollars unless otherwise stated.

APPOINTMENT OF PROXYHOLDER

The purpose of a proxy is to designate persons who will vote the proxy on a Shareholder's behalf in accordance with the instructions given by the Shareholder in the proxy. The persons whose names are printed in the enclosed form of proxy are officers or directors of the Company (the "**Management Proxyholders**").

A Shareholder has the right to appoint a person other than a Management Proxyholder to represent the Shareholder at the Meeting by striking out the names of the Management Proxyholders and by inserting the desired person's name in the blank space provided or by executing a proxy in a form similar to the enclosed form. A proxyholder need not be a Shareholder.

VOTING BY PROXY

Only registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Common shares of the Company ("**Shares**") represented by a properly executed proxy will be voted for or against or withheld from voting on each matter referred to in the Notice of Meeting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.

If a Shareholder does not specify a choice and the Shareholder has appointed one of the Management Proxyholders as proxyholder, the Management Proxyholder will vote in favour of the matters specified in the Notice of Meeting and in favour of all other matters proposed by management at the Meeting.

The enclosed form of proxy also gives discretionary authority to the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of the Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

COMPLETION AND RETURN OF PROXY

Completed forms of proxy must be deposited at the office of the Company's registrar and transfer agent Odyssey Trust Company, Attn: Proxy Department, 350-409 Granville St, Vancouver, BC V5C 1T2 or by facsimile to (800) 517-4553, not later than 48 hours, excluding Saturdays, Sundays and holidays, prior to the time of the Meeting or any adjournment(s) thereof, unless the chairman of the Meeting elects to exercise his or her discretion to accept proxies received subsequently.

NON-REGISTERED HOLDERS

Only registered Shareholders of the Company or the persons they appoint as their proxies are permitted to vote at the Meeting. Registered Shareholders are holders of Shares of the Company whose names appear on the share register of the Company and are not held in the name of a brokerage firm, bank or trust company through which they purchased Shares. Whether or not you are able to attend the Meeting, Shareholders are requested to vote their proxy in accordance with the instructions on the proxy. Most Shareholders are "non-registered" Shareholders ("**Non-Registered Shareholders**") because the Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Shares. The Company's Shares beneficially owned by a Non-Registered Shareholder are registered either: (i) in the name of an intermediary (an "**Intermediary**") that the Non-Registered Shareholder deals with in respect of their Shares of the Company (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (ii) in the name of a clearing agency (such as The Canadian Depository for Securities Limited or The Depository Trust & Clearing Corporation) of which the Intermediary is a participant.

There are two kinds of beneficial owners: those who object to their name being made known to the issuers of securities which they own (called "**OBOs**" for Objecting Beneficial Owners) and those who do not object (called "**NOBOs**" for Non-Objecting Beneficial Owners).

The Company is not sending the Meeting materials directly to NOBOs in connection with the Meeting but rather has distributed copies of the Meeting materials to the Intermediaries for distribution to NOBOs. With respect to OBOs, **the Company does not intend to pay for an Intermediary to deliver to OBOs, therefore an OBO will not receive the materials unless the OBO's Intermediary assumes the costs of delivery.**

Intermediaries are required to forward the Meeting materials to Non-Registered Shareholders unless a Non-Registered Shareholder has waived the right to receive them. Intermediaries often use service companies to forward the Meeting materials to Non-Registered Shareholders. Generally, Non-Registered Shareholders who have not waived the right to receive Meeting materials will either:

- (a) be given a voting instruction form **which is not signed by the Intermediary** and which, when properly completed and signed by the Non-Registered Shareholder and **returned to the Intermediary or its service company**, will constitute voting instructions (often called a "**voting instruction form**") which the Intermediary must follow; or
- (b) be given a form of proxy **which has already been signed by the Intermediary** (typically by a facsimile, stamped signature), which is restricted as to the number of Shares beneficially owned by the Non-Registered Shareholder but which is otherwise not completed by the Intermediary. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Shareholder when submitting the proxy. In this case, the Non-

Registered Shareholder who wishes to submit a proxy should properly complete the form of proxy and **deposit it with the Company, c/o Odyssey Trust Company, Attn: Proxy Department, 350-409 Granville St, Vancouver, BC V5C 1T2 .**

In either case, the purpose of these procedures is to permit Non-Registered Shareholders to direct the voting of their Shares which they beneficially own. Should a Non-Registered Shareholder who receives one of the above forms wish to vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Shareholder), the Non-Registered Shareholder should strike out the persons named in the form of proxy and insert their own name or such other person's name in the blank space provided. **Non-Registered Shareholders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or voting instruction form is to be delivered.**

A Non-Registered Shareholder may revoke a voting instruction form or a waiver of the right to receive Meeting materials and to vote which has been given to an Intermediary at any time by written notice to the Intermediary provided that an Intermediary is not required to act on a revocation of a voting instruction form or of a waiver of the right to receive Meeting materials and to vote which is not received by the Intermediary at least seven days prior to the Meeting.

NOTICE AND ACCESS

The Company is not sending the Meeting materials to Shareholders using "notice-and-access" as defined under NI 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer*.

REVOCABILITY OF PROXY

In addition to revocation in any other manner permitted by law, a Shareholder, their attorney authorized in writing or, if the Shareholder is a corporation, a corporation under its corporate seal or by an officer or attorney thereof duly authorized, may revoke a proxy by instrument in writing, including a proxy bearing a later date. The instrument revoking the proxy must be deposited at the registered office of the Company, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment(s) thereof, or with the chairman of the Meeting on the day of the Meeting. Only registered Shareholders have the right to revoke a proxy.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of common shares without par value, of which 56,701,378 Shares are issued and outstanding as of the record date of November 5, 2021. Persons who are registered shareholders at the close of business on November 5, 2021, will be entitled to receive notice of and vote at the Meeting and will be entitled to one vote for each Share held. The Company has only one class of voting shares.

Under the Company's articles, the quorum for the transaction of business at the Meeting consists of one person who is a shareholder or who is otherwise permitted to vote Shares of the Company at a meeting of the shareholders pursuant to the Articles, present in person or by proxy.

MANAGEMENT CONTRACTS

No management functions of the Company or its subsidiaries are performed to any substantial degree by a person other than the directors or executive officers of the Company or its subsidiaries.

AUDIT COMMITTEE

National Instrument 52-110 – *Audit Committees* ("**NI 52-110**") requires the Company, as a venture issuer, to disclose annually in its information circular certain information concerning the constitution of its audit committee (the "**Committee**") and its relationship with its independent auditor, as set forth in the following.

The Audit Committee Charter

The Audit Committee Charter was adopted by the Company's Audit Committee and the Board of Directors. The full text of the Company's Audit Committee Charter is attached as Appendix "A" to the Company's Information Circular dated November 16, 2020 which was filed on SEDAR on November 26, 2020 and can be viewed under the Company's profile at www.sedar.com.

Composition of the Audit Committee

The Audit Committee shall be comprised of three directors as determined by the Board, the majority of whom shall be free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Audit Committee.

At least one member of the Audit Committee shall have accounting or related financial management expertise. All members of the Audit Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices. For the purposes of the Company's Charter, the definition of "financially literate" is the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Company's financial statements.

The members of the Committee are appointed by the Board at its first meeting following the annual shareholders' meeting. Unless a chair is elected by the full Board, the members of the Committee designate a chair by a majority vote of the full Committee membership. At the Company's first Board meeting following the Meeting, the Company intends to appoint Jonathan Jackson, Sean Cote, and Arni Johansson to the Committee for the ensuing year.

The following are the current members of the Committee:

Arni Johansson	Not Independent	Financially literate ¹
Jonathan Jackson	Independent ¹	Financially literate ¹

Sean Cote Independent¹ Financially literate¹

¹As defined by NI 52-110.

CORPORATE GOVERNANCE DISCLOSURE

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day to day management of the Company. The Board is committed to sound corporate governance practices which are both in the interest of its Shareholders and contribute to effective and efficient decision making.

National Policy 58-201 *Corporate Governance Guidelines* establishes corporate governance guidelines which apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company's practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted. National Instrument 58-101 *Disclosure of Corporate Governance Practices* mandates disclosure of corporate governance practices which disclosure is set out below.

Independence of Members of Board

As at the date of this Circular, the Company's Board consists of four (4) directors, two of whom are independent based upon the tests for independence set forth in NI 52-110. Sean Cote and Jonathan Jackson are independent in that they are not officers of the Company. Arni Johannson is the CEO and Lisa Kowan is the Corporate Secretary, and are therefore not independent.

Participation of Directors in Other Reporting Issuers

As of the date hereof, the following directors have positions in other reporting issuers:

Name of Director	Other Issuer
Lisa Kowan	Astra Energy Inc. (OTC)
Arni Johannson	Mega Uranium Ltd.
Sean Cote	None
Jonathan Jackson	None

Orientation and Continuing Education

While the Company does not have formal orientation and training programs, orientation of new members of the Board is conducted by informal meetings with members of the Board, briefings by management, and the provision of copies of or access to the Company's documents.

The Company has not adopted formal policies respecting continuing education for Board members. Board members are encouraged to communicate with management, auditors and technical consultants, to keep themselves current with industry trends and developments and changes in legislation with management's assistance, and to attend related industry seminars and visit the Company's operations. Board members have full access to the Company's records.

Ethical Business Conduct

The Board, through its meetings with management and other informal discussions with management, encourages a culture of ethical business conduct and believes the Company's high caliber management team promotes a culture of ethical business conduct throughout the Company's operations and is expected to monitor the activities of the Company's employees, consultants and agents in that regard.

It is a requirement of applicable corporate law that directors and senior officers who have an interest in a transaction or agreement with the Company promptly disclose that interest at any meeting of the Board at which the transaction or agreement will be discussed and, in the case of directors, abstain from discussions and voting in respect to same if the interest is material.

Nomination of Directors

The Company does not have a stand-alone nomination committee. The full Board has responsibility for identifying potential Board candidates. The Board assesses potential Board candidates to fill perceived needs on the Board for required skills, expertise, independence and other factors. Members of the Board and representatives of the industry are consulted for possible candidates.

Compensation

At present, the Board as a whole determines the compensation of the Company's CEO and CFO and does so with reference to industry standards and the financial situation of the Company. The Board has the sole responsibility for determining the compensation of the directors of the Company. See "*Statement of Executive Compensation – Oversight and Description of Director and Name Executive Officer Compensation*".

Given the Company's size, limited operating history and lack of revenues, the Board does not plan to form a compensation committee to monitor and review the salary and benefits of the executive officers of the Company at the present time. The Board will carry out these functions until such time as it considers the formation of a compensation committee to be warranted.

Other Board Committees

As the directors are actively involved in the operations of the Company and the size of the Company's operations does not warrant a larger board of directors, the Board has determined that additional committees are not necessary at this stage of the Company's development.

Assessments

The Board, the Audit Committee and individual directors are not regularly assessed with respect to their effectiveness and contribution. The Board believes that such assessments are more appropriate for companies of a larger size and complexity which may have significantly larger boards of directors. Where appropriate, the chair of the Board meets with individual directors to discuss their contribution and that of the other directors. Arising from such meetings, if appropriate, the Board considers procedural and substantive changes to increase the effectiveness of the Board, its committees and members.

PARTICULARS OF OTHER MATTERS TO BE ACTED UPON

Annual Approval of Rolling 10% Stock Option Plan

Background Information

Effective December 8, 2016, the Board adopted the Plan, which was drafted in accordance with the CSE policies and rules. The Plan was accepted for filing by the CSE. The Plan was approved by the Shareholders at the Company's last annual general meeting held on December 17, 2020.

The purpose of the Plan is to allow the Company to grant options to directors, officers, employees, management company employees and consultants ("Eligible Persons"), as additional compensation, and as an opportunity to participate in the success of the Company. The granting of such options is intended to align the interests of such persons with that of the shareholders. Under the Plan, options may be granted with exercise periods of up to 5 years as determined by the Board and are required to have an exercise price no less than the closing market price of the Company's Shares prevailing on the day that the option is granted. Pursuant to the Plan, the Board may from time to time authorize the issue of options to Eligible Persons.

The maximum number of Shares which may be issued pursuant to options granted under the Plan will be a maximum of 10% of the issued and outstanding Shares of the Company at the time of the grant. In addition, the number of Shares which may be reserved for issuance to any one individual may not exceed 5% of the issued Shares on a yearly basis or 2% if the optionee is engaged in investor relations activities or is a consultant. The Plan contains no vesting requirements, but permits the Board to specify a vesting schedule in its discretion. The Plan also provides that if a change of control, as defined therein, occurs, all Shares subject to option shall immediately become vested and may thereupon be exercised in whole or in part by the option holder.

Should an Eligible Person cease to qualify as an Eligible Person under the Plan prior to expiry of the term of their respective options, those options will terminate at the earlier of: (i) the end of the period of time permitted for exercise of the option; or (ii) 90 days after the option holder ceases to be an Eligible Person

(subject to extension up to one year, at the sole discretion of the Board) for any reason other than death, disability or just cause. If such cessation as an Eligible Person is on account of disability or death, the options terminate on the first anniversary of such cessation, and if it is on account of termination of employment for just cause, the options terminate immediately.

Subject to any required approval of the CSE, the Board may terminate, suspend or amend the terms of the Plan, provided that for certain amendments, the Board must obtain shareholder approval.

Shareholder Approval Being Sought

A copy of the Plan is available upon request to any shareholder of the Company at no charge, or may be inspected at the registered office of the Company during normal business hours until the date of the Meeting.

The Board and management consider the approval of the Plan to be appropriate and in the best interests of the Company. **Accordingly, unless otherwise indicated, the persons designated as proxyholders in the accompanying form of proxy will vote the Shares represented by such form of proxy, properly executed, for the approval of the Plan.**

The text of the ordinary resolution approving the Plan to be submitted to Sshareholders' at the Meeting is set forth below, subject to such amendments, variations or additions as may be approved at the Meeting:

1. *The Company's Stock Option Plan, pursuant to which the Directors may, from time to time, authorize the issuance of options to Directors, officers, employees, management company employees and consultants of the Company and its subsidiaries to a maximum of 10% of the issued and outstanding Shares of the Company at the time of the grant, with a maximum of 5% of the Company's issued and outstanding Shares being reserved to any one person on a yearly basis, is hereby adopted and approved; and*
